***Do you like to walk, bicycle, run, in-line skate, or cross-country ski?***

***Are you looking for a way to get or stay fit, meet your neighbors on a walk, reduce use of motorized vehicles, and support local businesses?***

***Then join us on the trail!***

The Kennebec River Rail Trail is a 6.5-mile public path paralleling the existing rail bed along the Kennebec River from Augusta, through Hallowell and Farmingdale, to Gardiner.

The trail offers opportunities to enjoy the Kennebec River and its history, scenery and wildlife. It also provides a non-motorized alternative to commuting between our four towns and a great place to visit friends along the way.

The KRRT is also part of the East Coast Greenway, a 2800-mile onroad and offroad trail from Calais, Maine, to Key West, Florida.

Whether out for a Sunday stroll, taking a jog, commuting to work, or riding your bike, you will have a wonderful experience on the Kennebec River Rail Trail.

## ***Join the Friends of the Kennebec River Rail Trail***

While generous private donations and government funding built the Kennebec River Rail Trail, ongoing maintenance and enhancements continue to depend on community and membership support.

The *Friends of the Kennebec River Rail Trail* are people like you who enjoy the trail and want to see it grow and continue to benefit the community.

As *Friends of the KRRT*, we:

- Raise funds for trail maintenance and expansion.
- Advocate with local, state, and federal governments for funding and support.
- Coordinate volunteers for trail maintenance.
- Raise awareness of the benefits of the trail through public events.
